As Manager: Logistics Hub, Projects & Funding, you will be responsible for strategically positioning Namibia as the Logistics Hub, developing funding proposals, leading key projects, including soft and infrastructure to support the Core Business. You will oversee projects that enhance Namibia's transport corridors, mobilize funding for logistics infrastructure, and promote effective cross-border trade. The position reports directly to the CEO, and you will play a critical role in advancing WBCG's goals and objectives.

### MAIN RESPONSIBILITIES

- Develop and execute strategies to establish Namibia as a leading logistics hub.
- Conduct market research and identify opportunities for investment in the transport and logistics sector.
- Build and maintain strategic partnerships with government bodies, private investors and international logistics players.
- Represent WBCG at high-level meetings, forums and industry conferences.
- Lead initiatives that enhance regional and international trade flow through Namibia.
- Advocate for the integration of different transport modes (rail, road, air and ports).
- Identify and develop investment opportunities for corridor projects.
- Oversee the implementation of logistics-related projects to support economic growth.
- Ensure effective reporting, budgeting and risk management for all initiatives.
- Develop funding proposals and ensure financial sustainability for projects.
- Identify and engage potential investors, donors and stakeholders.
- Project Management

### REQUIREMENTS

Minimum Education and Professional Requirements:

- Bachelor's degree in Logistics, Transport, Project Management, Business Management, or a related field. A Master's Degree will be an added advantage.
- Minimum 10 years of relevant experience, with at least 5 years in a managerial or project leadership role.
- Strong project management and negotiation skills.
- Deep understanding of the logistics and transport industry as well as corridor infrastructure.

Interested candidates should hand deliver their application with an updated CV, three traceable references and certified copies of qualifications in the strictest confidence to:
